# LAUNCH

is a life skills program for a young adult that focuses on vocational, educational, peer and social relationships. We support every young adult as an individual. With a balance of therapeutic groups and experiential learning our team builds a prescription for success.

## PRESCRIPTION FOR SUCCESS

Weekly Individual Sessions • Master Level Clinicians • Groups 3 Days a Week  
• Monthly Case Management • Monthly Family Counseling

## LIFE SKILLS

Healthy Personal Relationships • Job Applications • Resume Building • Interviewing Skills • Time Management  
• Budgeting • Personal Hygiene • Meal Planning • Grocery Shopping • Cooking Lessons

## HIGHER EDUCATION SUPPORT

Individualized Course Planning • One on One Tutoring • Study Skills • Exam Preparation • Personal Advocate

LAUNCH's higher education services were developed to provide the young adult with a positive learning experience.
